DETAILED ACTION

1. The amendment filed on 02/13/2006 has been entered and fully considered.
2. Claims 1-17 are pending.

Claim Rejections - 35 USC § 112

3. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

4. **Claim 12** recites the limitation "...said synchronous payload envelope is stored." in the last line of the claim. There is insufficient antecedent basis for this limitation in the claim.

5. **Claims 12-14** are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

In claim 12, the limitation "...that correlates to which path overhead byte of the synchronous payload envelope is stored." is unclear, because it is not understood which specific section of an entry in the RAM FIFO buffer correlates to the path overhead byte of the synchronous payload envelope as there are three different sections in any given entry in the buffer.

Allowable Subject Matter

6. Claims 1-11 and 15-17 are allowed.

Conclusion

7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP

§ 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
